

Friday and Saturday At Perkins Bros. Co. Friday and Saturday

Ladies Home Journal patterns
For Fall

A FINAL CLEAN-SWEEP SALE

Good Bye Summer Merchandise--Farewell all Profits

DURING the past seven months this busy STORE has enjoyed the largest Business of any other establishment in this part of the state. This naturally leaves us with hundreds of odd garments and broken assortments. We are advertising these goods in order to clear away all Summer Merchandise and make room for our New Fall Goods.

Quantity Buying--Lowest Prices

Quantity buying as is practiced by the Perkins organization in supplying the immense out put of the chain of Perkins stores to certain degree makes it possible for the patrons to obtain merchandise in many instances at Per-

kins regular prices which are oft time found to be lower than most single store operators can quote, and in many instances where the prices are the same the Perkins Quality is found to be superior.

CLEAN SWEEP OF SUMMER DRESSES

Friday and Saturday, we will make a final clean sweep of all Summer dresses--this includes organdies, and Linen combinations, nothing reserved.

Farm Loans

Frank Lewis Forrest H. Johnson
LEWIS & JOHNSON

Office in First State Bank
Durant, Oklahoma.

We wish to announce that we have made arrangements to lend small or large amounts of money with farm land or security, on liberal terms. We inspect the land ourselves, draw up the loan papers, have the abstracts examined by Durant attorneys, and give you the check as quick as the title is approved. Our terms are liberal, and we have plenty of money on hand to handle all loans promptly.

News of the World in Brief

George Stauber, white, who is said to have started the recent race riots in Chicago. He threw a stone which struck Eugene Williams, negro knocking him from a raft and drowning him, was indicted by the grand jury today on a charge of manslaughter.

Armed intervention is not contemplated by the United States at the present time. Any "change of policy" toward the Carranza domination in that country will not involve use of either the army or navy under present plans. Reports that troops are being massed along the border in anticipation of any invasion of the republic south of the Rio Grande are without foundation, officials declared.

King George has given his assent to the bill adopted by parliament ratifying the German peace treaty. The act thus becomes law.

The United States is not the only prohibition country, Belgium having followed suit so far as whiskey, gin and other highly alcoholic liquors are concerned. Soon after the armistice was signed a law was passed forbidding the manufacture and sale of such beverages.

A union of the Mexican liberal alliance and the Mexican union, organizations having branches in border and eastern cities for the purpose of bringing about peace in Mexico by uniting all factions opposed

to the Carranza government, was announced here today by Manuel Bonillas, general executive chairman of the liberal alliance.

The surrender of General Kruska, commander of the German camp at Kaiser has been demanded by the allies as the first of the enemy officials to be tried for violations of international law during the war. General Kruska is accused of having been responsible for an epidemic of typhus fever at the Kaiser Camp which caused the deaths of 3,000 French prisoners.

In view of Archduke Joseph's success in heading the new Hungarian government the Monarchists are urging former Emperor Karl to re-enter politics, but this, Seita, the former Empress disapproves, it is said. "The Emperor's position is hell; we done our duty and suffered enough. We don't want to return to power," she said.

William Cummings, British charge d'archives in the city of Mexico has been ordered to leave the country by President Carranza. It was understood that Carranza's action resulted from the statement recently made in the house of Commons by the British under-secretary of the state that Great Britain had not recognized the Carranza government and would not do so until there was some guarantee that the Mexican government was able and

willing to protect the lives and property of British citizens in Mexico.

Drivers of retail milk wagons in New York City have formulated demands for \$50 a week and a six-hour day to be presented to their employers when their present contract expires the last of October. They also will ask for a 2 per cent commission on all sales time and a half for overtime and double time for overtime Sundays. The wholesale drivers will ask for \$55 a week. At present retail drivers get \$33 a week and wholesale drivers \$35, both with 1 per cent commission.

That all Europe is facing disaster in the coal situation is the common opinion of the industrial shipping leaders who have been conferring on the subject here for the last few days. Shipping experts, in discussing prospects for the coming winter, so far as Germany is concerned, declare the fuel situation will positively prove a more potent reviver of acute bolshevism than will food.

Old material used by the Third army on the Rhine is being disposed of in a hurry. German civilians alone recently have been buying from twenty-five to forty carloads of salvaged material each day. Germans assemble in Coblenz or the other towns where the auction sales are held by the hundreds. Coming from all parts of Germany. The Germans eagerly buy anything offered by the Americans, parti-

cularly any articles leather or rubber.

A bill has been introduced in the Spanish cortes, empowering the government to adhere to the league of nations.
